A Unique Networking Organization

Feast from the East

Join us on **Saturday, November 21**, as we enjoy some of the best Chinese food in Orange County, and plenty of it, from appetizers and soup to eight entrees and desert. We will have our own private room with two large round tables, and certainly also plenty of good wine.

This will be a Global Network WOW event (Wines of the World), with participants bringing their favorite international wine for sharing with the group. The event price of \$27 per person includes tax, tip and corkage fee.

Participants will be encouraged to share their most memorable experiences in China or with things Chinese regardless of location. Bring your photos, and be prepared for a wonderful, stimulating evening of discussion.

Please RSVP and do so early, since our room is limited to a maximum of 22 people.

Saturday, November 21, 6:00 p.m.
